Item 1: Approval of Agenda and Minutes

The Steering Group (SG) approved the proposed agenda and the minutes of the SG meeting on 26 April, 2017.

Item 2: Annual Conference

The Chair congratulated President Margarida Matos Rosa and her staff at the Autoridade da Concorrência (AdC) on hosting an excellent conference.

The SG members expressed their gratitude to the AdC and praised the very well organised conference. It was noted that the early involvement of the SG in the planning of the agenda and the selection of the plenary speakers worked very well and should be continued for the planning of future annual conferences. Steering group members pointed out that working groups should continue selecting speakers in a way that reflects the diversity of the network and at the same time ensures lively and controversial discussions. Moderators play a key role and should be aware of the ICN approach particularly in view of interactive BOS and

should be briefed accordingly. Overall the SG members were highly satisfied with the very successful event.

Item 4: Future SG Meetings

The next SG meeting will be held in Paris on June 21, 2017.
